

**19th European JODO Championships - EJC,
Stevenage, UK – 26.-27.9.2020
COVID19 - Cancellation**

**To all
EKF Member Federations and ZNKR**

Dear Friends,

The situation with regard the **Coronavirus disease / COVID19** has been changing during the last weeks and not for the better. Countries to a different degree prohibited events, closed borders, restaurants and universities, even schools. National health systems are put to hard tests and in some placed approach their limits. Travelling is restricted and airlines cancel flights large scale. The WHO has declared a pandemic, the 2020 Tokyo Olympics have been rescheduled to 2021. The situation is uncertain for the months to come, to say the least, especially for international travelling.

Consequently, the EKF BO, after the appropriate consultations with the host federation, had to take the decision for

**CANCELLATION of the
19th European Jodo Championships (EJC)
Planned for Stevenage, UK, September 26 - 27, 2020,
including the attached exams.**

We have great sympathy for the British friends, who have put of work and resources into this event. We understand the disappointment of those who have prepared and planned for the tournament and exams. As much as we regret this decision, we have now no other choice.

We hope that the situation will improve and look forward to meeting you soon at the events we all cherish!
