6. Content of the Championships

The content of the E.I.C. is as follows:

- **Individual National Championships** for maximum two competitors (male or female) divided into the following 7 categories:
 1. Mudan (kyu)
 2. Shodan (1st dan)
 3. Nidan (2nd dan)
 4. Sandan (3rd dan)
 5. Yondan (4th dan)
 6. Godan (5th dan)
 7. Rokudan (6th dan)

The grade of the competitors may range from Mudan up to, and including, Rokudan, but the total of the Dan of the three players shall not exceed ten. Mudan are counted as a Shodan. (For example, player 1 may have *godan*, player 2 *shodan* and player 3 *yondan*: $5 + 1 + 4 = 10$; but a team may also consist of three *shodan*: $1 + 1 + 1 = \text{less than } 10$).

Every Championship gives right to the attribution of an official "European Champion" title, together with one "Vice-Champion" and two equal third places. Also, for every championship, minimum one so called "Fighting Spirit" trophy is awarded.

7. Individual Championships

7.1 Competitors

A maximum of two competitors per country (male or female) will be allowed to participate for each category. The competitors must have the exact grade of the category in which they participate at the time of the competition (see rule 09.4).

7.2 Pool system

The competitors will be divided into as many pools of three as possible. The 4 competitors who received the medals at the previous Individual Championships will be seeded into different pools and moved to the far end of the grid. As much as possible, competitors with

the same nationality will be kept out of the same pool. The competitors in the pools of three will fight in the following order: 1 x 2, 1 x 3 & 2 x 3.

If the number of those registered competitors makes pools of four necessary, the competitors will fight in the following order: 1 x 2, 3 x 4, 1 x 4, 3 x 2, 3 x 1 & 4 x 2. The competitors that go on will be separated from then on into different grid locations.

The maximal combat time is **4 minutes for three kata (opening and closing reiho included)**.

The ranking of the individuals out of the same pool will be based on the following:

1. The number of matches won;
2. If this is equal, the number of flags is counted;
3. If this is equal as well, a “knock out” match of only one *Shitei Waza* will be played. The Court Judge will announce the *Shitei Waza* before the start of the match.

7.3 Tournament

The tournament operates under the knock out system. The **first two out of every pool** will be entered on the tournament grid, respecting the principles of separation (refer to 7.2) as much as possible. The 1st placed of one pool will compete with the 2nd placed of another pool.

The maximal combat time is **6 minutes for five kata (opening and closing reiho included)**.

8. Team Championships

8.1 Competitors

Every country is represented by a team of 3 or minimum 2 competitors, chosen freely before every fight out of the maximum of 4 officially entered inscriptions. The maximal combat time is 4 minutes for three kata (opening and closing reiho included). For the reiho see the Annex hereto.

The ranking of the Teams out of the same pool will be based on the following:

3. If this is equal as well, a supplementary match will be held (*daihyosen*). This match shall be held in the same way as a normal match in the pool system. The competitor of the supplementary match will be one of the competitors who competed in that pool.

8.3 Tournament
