

EKF - Important Information for 2021

EKF Member Federations

Dear Friends,

We hope this finds you well and you keep fighting in the present situation. Please consider the following information and act accordingly at your earliest convenience:

1. Number of Members in your Federation

Please update the number of the members in your federation as of now for the year 2021. This will – special situations need special measures! – determine the EKF Fee for your federation for 2021. Deadline for Update is 30. April 2021. For info on how to do it see Help-Documents on the EKF website! Please be also sure that your Yudansha in the system are up to date. That also means, as applicable, with status ACTIVE, INACTIVE etc....

2. EKF Bank account

We need to reorganize the EKF bank account and will let you know about the new account as soon as possible. In the meantime, please do not make payments to the EKF account. We will let you know as soon as possible on the new account details.

3. Registration for EKF General Assembly 2021

Please register for the EKF GA in the EKF online system and state an email for the invitation to the video-event in “*Additional Information*”. We also plan a “dress rehearsal” for technical issues. Deadline 30.4.2021. For info on how to do it see Help-Documents on the website!

4. Pre-Entry for EKC 2022

We are planning together with Deutscher Kendo Bund (DEU) for an EKC in 2022. This is all still very uncertain, and the situation is difficult, but we are working for it. You could help us very much by completing a Pre-Entry on the EKF website for this event (“**31st European Kendo Championships 2022 Germany - Pre-Pre-Entry**”). This is non-binding and only as information for planning and the assumptions are:

- EKC in Germany in April / May 2022;
- Price around average for the last years;
- COVID-19 regulations allow events and general travel for most of Europe.

Deadline 30.4.2021. Please be as realistic as possible – this determines our ability to plan the event! Thank you, stay healthy and do suburi!

E. K. F. BO.
