02. The purpose of the Federation shall be to foster, to develop and to promote the practice and spirit of Kendo and the related martial arts such as laido, Jodo, Naginata-do, along the traditional lines, by means of organizing seminars, grading examinations, judge seminars, championships, etc. The EKF will also try to promote the martial arts in countries which are not organized yet. Of course, it will always try to strengthen the bonds of friendship among its Members.

03. The EKF shall be an amateur sport organization, irrespective of either racial, political or religious opinions of its members.

**ARTICLE 02: GENERAL REGULATIONS.**

01. The EKF is an organization which raises its own funds in order to be self-supporting. It isn't meant to make any profits.

02. The constitutional organs are:

- The General Assembly (G.A.), consisting of delegates chosen and sent by each member country, assembling each year on the occasion of the European or World Championships (see Article 05).
- The Board of Officers (B.O.), consisting of the President, the Vice-President, the Treasurer, the Secretary-General and the Technical Director, meeting when necessary (see Article 06).
- The Auditor (see Article 09).

03. The official seat of the EKF is established in rue du Busard 4, B-1170 Brussels. It can be moved to any other place in the Region of Brussels Capital (Belgium) by the decision of the Board of Officers.

04. The official language of the Federation shall be English. The technical terms can be put in Japanese using the Hepburn Rômaji System.

05. The EKF acknowledges the importance of acting against doping as defined by relevant instruments of the International Kendo Federation (FIK) and the World Anti-Doping Agency (WADA). As the use or attempted use of performance enhancing drugs or methods conflicts with athletes' health, the concept of Kendo and the purpose of Kendo Shiai (Match) Regulations and Refereeing Rules, EKF will do its best to prevent it. Consequently, for the purpose of European Championships in Kendo, Iaido & Jodo, the Anti-Doping Rules of the FIK shall apply and will be enforced by officers and decision-making bodies as appointed by the G.A. or the EKF B.O. Additionally, the G.A. shall decide on further rules to implement and if necessary amend these Anti-Doping Rules.

### **ARTICLE 03: MEMBERSHIP.**

01. Full membership of the EKF shall be open to nationally recognized Kendo organizations of countries within Europe as geographically defined. Europe is bound to the north by the Arctic Ocean, to the west by the Atlantic Ocean, to the south by the Mediterranean Sea, to the southeast by the Caucasus Mountains - thus including Georgia, Azerbaijan and Armenia - and the Black Sea and the waterways connecting the Black Sea to the Mediterranean. To the east, Europe is divided from Asia by the water divide of the Ural Mountains, the Ural River, and by the Caspian Sea. This delimitation does not affect existing memberships to the EKF, as long as they are not able to join a proper regional federation.

02. Other Countries within the European Zone, as defined by the FIK, may join the EKF as Affiliated Members.

03. All these memberships must be applied for in a letter, including the constitution text or the statutes of the applicant organization (see point 05.b hereunder) and a letter of support by two Member Countries, before being ratified by the EKF General Assembly.

04. Applicant members shall have to agree to abide by the present Statutes and the rules of the Federation. Upon acceptance, the EKF G.A. shall initially recognize them as Provisional Members for a term of two (2) years. After this the G.A. decides, taking into consideration its conduct and participation in EKF

activities, either to refuse membership on certain grounds of which the applicant must be informed, to extend the provisional membership for another year or to accept the Provisional Member as a full member. Except as otherwise stated (see Articles 05.05., on voting rights, and 04.02., membership fee), Provisional and Affiliated Members do have the same rights and duties as other members.

05. Only one (1) organization per country shall be recognized. If there are two affiliation demands from the same country, or if there is a new application opposing an existing Member Country, the decision will be taken according to the following standards:

- a. Number of practicing members;
- b. Existence of Democratic Statutes (in English or joined by an official translation), including regulations on a periodic General Assembly followed by approved Minutes;
- c. Financial Status;
- d. Representativity for the Nation concerned, i.e. the number of clubs, their distribution around the country and the approval by official or governmental bodies;
- e. List of the Members of the Board and of the Board of Officers, together with the grade and practice records of these decisive persons;
- f. The EKF Grading Register;
- g. National event calendar;
- h. Payment of EKF Membership Fee, if appropriate;
- i. Representation in European events, if any;
- j. Nationality of the practitioners;
- k. Foundation date.

The order of these 11 points is not of any importance.

#### **ARTICLE 04: SUBSCRIPTIONS.**

01. A member country shall have no rights to, privileges of nor access to EKF-facilities unless the yearly subscription has been paid.

02. The value of the annual subscription fee shall be determined by the majority of the EKF General Assembly upon consideration of a provisional budget made by the Treasurer. Provisional Members only pay half of the regular subscription fee, starting in the calendar year in which they receive this status.

03. All subscriptions are to be paid into the bank account of the EKF at the invitation of the Treasurer.

04. All credits are to be provided by annual membership fees, Dan Grading fees for subscription and registration, gifts, or by occasional sponsorship. In any case the financial and moral independence of the Federation must remain the first goal.

05. The financial year will coincide with the calendar year.

06. The presentation of the financial report will be put on the Agenda of each General Assembly.

**ARTICLE 05: GENERAL ASSEMBLY (G.A.).**

01. The General Assembly is the highest authority within the EKF.

The G.A. will stay effective even when a Member Country does not attend, with or without giving power of proxy.

04. Each member Country shall have one (1) vote in the Assembly. If no majority is reached the President will ask for a new discussion or vote.
