The regulation of the matches will follow “*The Rules and Regulations of Jodo Shiai and Shinpan*”, published by A.J.K.F., as closely as possible.

A competitor who does not show up at the court within 5 minutes after the caller has called out his or her name is regarded as default and is disqualified.

As a safety precaution, tsuba for tachi should be made from leather

Due to the remaining impact of the COVID-19 Pandemic, the Rules might need to be adapted to the applicable UK government rules in force during the time of the event. This may affect the placement of shiai-jo, distances between competitors and teams, special arrangements behind the competition area and in the audience area, hygiene requirements, use of protective equipment (such as face masks) etc. Additional rules imposed by specific conditions may be applied as well. These rules will be communicated to the teams in advance, if possible. All local laws need to be complied with. The teams must commit themselves to full adherence to these laws and these rules and requirements and adapt their movements and behaviour accordingly in all EJC related circumstances (hotels, transfers, meals, seminar, tournament, Sayonara Party etc.).

6. Content of the Championships

The content of the E.J.C. is as follows:

- **Individual Championships** for maximum two competitors (male or female) divided into the following 7 categories:
 1. Mudan (kyu)
 2. Shodan (1st dan)
 3. Nidan (2nd dan)
 4. Sandan (3rd dan)
 5. Yondan (4th dan)
 6. Godan (5th dan)

- **Team Championship** with teams composed of 3 persons.

Every Championship gives right to the attribution of an official “European Champion” title, together with one “Vice-Champion” and two equal third places. Also, for every championship, minimum one personal so called “Fighting Spirit” trophy is awarded. Fighting Spirit Awards are decided by the EKF upon proposal of the shinpan-shunin.

7. Individual Championships

7.1 Competitors

A maximum of two competitors per country (male or female) will be allowed to participate for each category. **The competitors must have the exact grade of the category in which they participate at the time of the competition. The grade is verified at the registration in the final entry. The grade or the category cannot be changed after the final entry is closed. In case the competitor is promoted to higher grade after the final entry, he/she will not be able to participate in the competition. (See also rule 10.4).**

7.2 Kata

For every match in all categories, 3 kata shall be performed. The kata for the categories Mudan through Godan will be selected from the A.J.K.F. Jodo Kata (Shitei Waza). These Shitei Waza will be announced to the competitors before the start of the Individual Championship.

7.3 Judging

Only the Shidachi (Jo side) will be judged. The Uchidachi may be any of the competitors who are not competing at that moment. All registered competitors have to be available to act as Uchidachi. However, the Shidachi may choose any registered competitor to act as his/her Uchidachi. The Dan of the Uchidachi may not exceed the Dan of the Shidachi by two and shall be limited to Godan.

7.4 Pool system

The competitors will be divided into as many pools of three as possible. **If the inscriptions make it necessary, pools of two (2) or pools of four (4) will be included.**

The 4 competitors who received the medals at the previous Individual Championships will be seeded into different pools and moved to the far end of the grid. As much as possible, competitors with the same nationality will be kept out of the same pool.

The order of matches will be announced. Pools can be combined respecting the principle of separation as mentioned above in the previous subparagraph.

The ranking of the individuals out of the same pool will be based on the following:

1. The number of matches won;
2. If this is equal, the number of flags is counted;
3. If this is equal as well, a “knock out” match of only one Shitei Waza will be played. The Court Judge will announce the Shitei Waza before the start of the match.

The first two out of each pool will move on to the Tournament matches.

7.5 Tournament

The tournament operates under the knock out system. The first two out of every pool will be entered on the tournament grid, respecting the principles of separation (refer to Section 07.4.) as much as possible. The 1st placed of one pool will compete with the 2nd placed of another pool.

The grade of the competitors may range from Mudan up to, and including, Godan, but the total of the Dan of the three players shall not exceed ten. Mudan are counted as a Shodan. (For example, player 1 may have godan, player 2 shodan and player 3 yondan: 5 + 1 + 4 = 10; but a team may also consist of three shodan: 1 + 1 + 1 = less than 10). For a team composed by two persons, the maximum total sum of dan is 9.
